

# ARTIUS

Medical Gas | Administrative Management

### Company Overview:

Artius is a Service-Disabled Veteran-Owned Small Business that specializes, through our partnership network, in medical gas delivery and comprehensive medical gas services. We have a network and team of experienced and skilled professionals who have a proven track record of success in the industry. Our firm and partners are fully insured and maintain strict adherence to all applicable regulations and standards.

### Core Capabilities:

- **Medical Gas Delivery:** Delivery of Bulk Medical Oxygen for Healthcare Providers.
  - **Equipment Acquisition and Installation:** Support cost-effective acquisition of medical gas equipment and replacement parts, provisioning of stationary tanks and portable canisters.
  - **Scheduled Maintenance and Refills:** Maintenance and refills of high/low flow stationary tanks.
  - **Third-Party Reseller:** We are a non-manufacturer of American-made medical gases, and an authorized reseller of Linde-Gas products and services.
  - **Billing and Support Management:** Our team has extensive experience in billing and support call management.
  - **Safety:** Artius is committed to providing a safe work environment for all employees and subcontractors. We adhere to all relevant safety standards and regulations and prioritize safety on every job site.
- **Subcontracting:**
  - Artius has a network of trusted subcontractors that we work with to ensure that we can meet the needs of any contract. Our team is experienced in managing subcontractors and coordinating their work to ensure that contracts are executed on time and within budget.
- **Certifications:**
  - Federal SDVOSB(Service-Disabled Veteran Owned Small Business)
